If ORGANIZATION is certified to any RA Standards, ORGANIZATION agrees to accurately and fairly represent the certificate scope, type and status and the products or operations included within the certification scope. ORGANIZATION acknowledges that certification (including endorsement) applies only to the entities or business operations that are included in the certificate scope and does not extend to affiliates or Permitted Sub-Licensees except to the extent such affiliates or Permitted Sub-Licensees are included in the certificate scope.

### 4. Registration

- 4.1. ORGANIZATION is required to register on each RA Online Platform relevant to its RA activities or programs, as set forth in the Binding Documents or otherwise communicated to ORGANIZATION by RA pursuant to Section 14.6 (Notices) herein.

### 5. Payment; Royalties and Costs

- 5.1. Certification Costs. Certification Costs vary depending on the type of activity that ORGANIZATION is engaged in. ORGANIZATION may need to pay Certification Costs to a certification body (e.g., to conduct an audit) or to RA or actors within a particular supply chain (e.g., to obtain a chain of custody risk assessment or for a Sustainability Differential or Sustainability Investments). If ORGANIZATION is required to undergo a supply chain risk assessment ("SCRA") as described in the Binding Documents, it shall pay a US\$100 SCRA fee to RA for each site included in the certification scope at the time that such SCRA is conducted.
- 5.2. Royalties. RA charges Royalties to licensees based on traded volumes of Certified Products. The rate charged varies by crop as set forth in the Royalty Schedule and is charged once to a specific party in the Certified Supply Chain. ORGANIZATION agrees to inform RA of any change in volume that affects the amount of the Royalty to be paid.
- 5.3. RA Online Platforms and Royalty Obligations. ORGANIZATION agrees to pay any applicable Royalties on the terms indicated in the Royalty Schedule based on volumes of Certified Products for transactions occurring after the date of ORGANIZATION'S registration in the applicable RA Online Platforms. ORGANIZATION further agrees to comply with all other current and future Royalty and payment requirements as specified in these License Terms and Conditions. ORGANIZATION shall (i) register and maintain accurate contact and other details in the applicable RA Online Platforms and (ii) accurately and timely record transactions of Certified Product on the applicable RA Online Platforms (including, if applicable, obtaining Traceability References with respect to all transactions of Certified Product).
- 5.4. Payment Due. RA will invoice ORGANIZATION for Royalties, if applicable, on either a monthly or quarterly basis (as determined by RA) at the rate set forth in the Royalty Schedule. RA may change invoicing frequency from quarterly to monthly (or monthly to quarterly) with a minimum of 30 days' notice to the ORGANIZATION. ORGANIZATION agrees to pay invoices within forty-five (45) days from the date the invoice is issued.
- 5.5. Late Fees. Payments not received within forty-five (45) days from the date of invoice may be charged a late fee of

- 5.10. Selling as Certified. ORGANIZATION may only sell product as Certified Product if (i) it is Certified Product, (ii) a Traceability Reference has been issued (if applicable, as set forth in the Binding Documents), and (iii) any applicable Royalties for such Certified Product are payable in accordance with these License Terms and Conditions. For the avoidance of doubt, Royalty payments (and, if applicable, Traceability References) are required if a claim or representation is made anywhere in any form that a product comes from a Certified Farm, even if the RA Marks are not used and no public claim or representation actually appears on a product, on packaging or promotional materials.
- 5.11. Assignment of Royalty Obligation. ORGANIZATION may assign to a subsequent supplier or purchaser of Certified Product, the obligation to pay Royalties to RA if ORGANIZATION, RA and the subsequent supplier or purchaser agree in writing. Such submission and use must be in compliance with the Trademark Policy associated with the particular RA Mark. Once RA has approved any such use, ORGANIZATION may not make any changes to such use without first obtaining RA's written approval. ORGANIZATION acknowledges that RA shall not provide any communications or marketing services to ORGANIZATION in exchange for Royalties under this Agreement, notwithstanding such review and approval as set forth herein.
- 6.2. Accurate Representations. ORGANIZATION agrees that any representation it makes with respect to RA, Certified Products, the scope of a Certified Farm's certification to the RA Standards, or with respect to its collaboration with or support for RA, shall be fair and accurate. ORGANIZATION shall restrict its representations with respect to certification of Certified Product to the applicable RA Standards and shall not make any representations with respect to products, product characteristics or agricultural operations not included within the scope of the certificate of the Certified Farms related to the Certified Product. ORGANIZATION agrees that it will not use the RA Marks or make claims, representations, public statements or use language about or references to RA in connection with the direct or indirect sale, marketing or advertising of products that are not Certified Products except as specifically permitted by the Binding Documents.

ORGANIZATION shall maintain the high standards and reputation of RA and shall not use the RA Marks or make any other claim, representation, public statement or use language about or reference to RA in a manner that is disparaging to RA or contrary to its values. ORGANIZATION agrees to ensure that all uses of the RA

Marks comply with all relevant trademark, service mark, certification mark and other intellectual property laws. ORGANIZATION recognizes and acknowledges the irreparable damage that could result to RA in the event of non-compliance with any such requirements and accordingly, in the event of any such non-compliance, RA shall be entitled to seek injunctive and other equitable relief against ORGANIZATION, without the necessity of proving actual damage.

- 6.4. Permitted Sub-Licensees, Successors, and Agents. RA's rights shall apply with respect to ORGANIZATION as well as all Permitted Sub-Licensees and ORGANIZATION's successors. Design agents may apply for use of RA Marks on behalf of ORGANIZATION without being listed as Permitted Sub-Licensees. ORGANIZATION shall be responsible for monitoring and enforcing the compliance of each sub-license and agent under the terms of the Binding Documents, and failure to do so shall be deemed a material breach of this Agreement. In no event shall the scope or term of any sub-license granted to a third party by ORGANIZATION exceed the scope or term of the Agreement. ORGANIZATION may not engage in, facilitate or otherwise encourage any post-consumer use or "upcycling" of anything bearing the RA Marks, including but not limited to product packaging, without the prior written approval of RA. The rights granted to ORGANIZATION in the Agreement and other Binding Documents are solely for the benefit of ORGANIZATION and may not be relied upon by any third party without the express written consent of RA.

## **7. Updates to Binding Documents**

- 7.1. The Binding Documents, including, without limitation, these License Terms and Conditions and the RA Marks, are subject to change. RA will provide notice of such changes to ORGANIZATION pursuant to section 14.6 (Notices) herein. Minor changes to the Binding Documents to correct typos or to clarify language shall be effective upon publication or as otherwise provided for in the notice. Substantive amendments or changes to the Binding Documents other than the Certification Binding Documents shall be effective no sooner than three (3) months following notice to ORGANIZATION and publication on the RA website. RA will endeavor to provide at least three (3) months' notice regarding changes to the Certification Binding Documents, but reserves the right to introduce such changes with immediate effect or on other notice shorter than three (3) months where necessary to protect the credibility and integrity of the RA certification scheme. ORGANIZATION must ensure that its contact details as set forth in the applicable RA Online Platforms remain current at all times.

## **8. Responsible Conduct**

- 8.1. ORGANIZATION commits to being a good and reliable partner to Certified Farms and Supply Chain Actors, and to adhere to agreements made with such parties.
- 8.2. ORGANIZATION commits to adhere to internationally accepted principles of responsible business conduct, such as the UN Guiding Principles on Business and Human Rights and the OECD Guidelines for Multinational Enterprises. The scale and complexity of the means through which ORGANIZATION meets this commitment may vary according to the size, sector, operational context, ownership and structure, and with the severity of the enterprise's adverse human rights impacts.

## **9. Termination and Suspension**

- 9.1. Suspension, Cancellation or Termination of Certificates. The suspension, cancellation or termination of a certificate is subject to the terms and conditions set forth in the Certification Binding Documents.
- 9.2. Suspension and Termination of Participation in RA Online Platforms, Use of RA Marks and the Agreement.
- 9.2.1. RA, may, upon written notice, suspend ORGANIZATION's participation in the RA Online Platforms and/or its use of the RA Marks if ORGANIZATION breaches or fails to comply with any of its obligations under the Binding Documents, *provided, that* RA sends a notice of breach to ORGANIZATION and gives ORGANIZATION at least ten (10) days from the date set forth on the notice to cure such breach to the satisfaction of RA.
- 9.2.2. Upon suspension, ORGANIZATION shall cease to have access to the RA Online Platforms for (i) registration of RA Traceability References, (ii) approvals to use the RA Marks, or (iii) access to data. ORGANIZATION may also be prohibited from using the RA Marks and any approvals granted pursuant to section 6 (Use of RA Marks) herein may be suspended.
- 9.2.3. In the event of suspension for failure to pay, upon receipt of the full outstanding balance, plus interest if applicable, RA shall reverse the suspension and reinstate ORGANIZATION's access and rights that were suspended pursuant to this section 9 herein. In the event of suspension for breach of other obligations set forth in the Binding Documents, ORGANIZATION may petition RA for the right to reverse the suspension, which petition shall be granted or denied in the sole discretion of RA, subject to the terms of the Binding Documents.
- 9.3. Termination
- 9.3.1. The Agreement may be terminated (a) under the circumstances described in the Agreement, or (b) by RA, upon written notice, if (i) ORGANIZATION received a notice of breach of the Binding Documents, including for failure to pay an invoice, and failed to cure such breach within ten (10) days of receipt of such notice; (ii) ORGANIZATION becomes insolvent, is unable to pay its debts as they mature or is the subject of a petition in bankruptcy, insolvency or similar laws, or makes an assignment for the benefit of creditors, or is named in, or its property is subject to, a suit for appointment of a receiver, or is dissolved or liquidated; or (iii) ORGANIZATION's activities, in the sole opinion of RA, reflect badly on the good name of RA. RA also reserves the right to

immediately terminate this Agreement in the event ORGANIZATION or any of its Permitted Sub-Licensees becomes subject to sanctions under Trade Control Laws or violates or causes RA to violate or become subject to penalties or sanctions under Trade Control Laws, or in the event that RA determines that changes in Trade Control Laws make it impossible to perform the Agreement in whole or in part. In the event of a termination related to sanctions, RA shall not be obligated to undertake any actions under the Binding Documents (including those set forth in Section 9.3.2 herein or pursuant to any selloff period) or provide any benefits to ORGANIZATION that would be prohibited or subject RA to penalties or sanctions.

9.3.2. Upon termination of the Agreement for any reason, the rights and privileges of ORGANIZATION under the Binding Documents shall immediately cease, and there shall be no liability or obligation on the part of either party, except with regard to Royalties due and owing, Taxes relating to Royalties, and as set forth in this section 9.3.2 and the sections herein relating to (Selloff Period), (Selloff Period for Cocoa), (Reservations), (Disclaimer), (Transparency and Confidentiality), (Limitation of Liability & Indemnification), (Governing Law), (Dispute Resolution), and section 3 of the Agreement (Other Provisions); *provided that* the foregoing shall not relieve either party from liability incurred as a result of breach of any provision set forth in a Binding Document. Any sub-license granted to a Permitted Sub-Licensee or other third party by ORGANIZATION shall terminate and ORGANIZATION shall take all steps to ensure that such third parties act in accordance with such termination and the terms of the Binding Documents applicable to ORGANIZATION as if bound thereby. Any unpaid Royalties still owed by ORGANIZATION may be turned over to a collection agency, and RA shall terminate ORGANIZATION's access to the RA Online Platforms and prohibit ORGANIZATION from recording any transactions relating to Certified Product or receiving any Traceability References in connection with such transactions. ORGANIZATION shall cease to use the RA Marks or make any other claims, representations, public statements or language about or references to RA (including claims regarding Certified Products and support of or collaboration with RA), and do nothing that might lead any person to believe that ORGANIZATION is still licensed to use the RA Marks. RA reserves the right to revoke any and all future RA Online Platform access and privileges for ORGANIZATION on the basis that it has had its RA Online Platform access suspended three (3) or more times due to delinquent payment.

9.3.3. Selloff Period. Upon cancellation or termination of an ORGANIZATION's certificate, the selloff period rules set forth in the applicable Certification Binding Documents shall apply to sales of Certified Product.

ORGANIZATION must, during the sell-off period and thereafter, cooperate with RA, and where applicable a certification body, and provide evidence that, prior to and during the sell-off period, the labeled product was processed and packaged in accordance with all requirements set forth in the Policy for Farm and Chain of Custody Certification in Cocoa.
